

API SERVICES AGREEMENT

SecureVault Technologies, Inc. & Meridian Retail Group

1. SERVICES

SecureVault Technologies, Inc. ('Vendor') will provide fraud detection API services, PCI-compliant tokenization, and real-time transaction screening to Meridian Retail Group ('Client') for all payment processing operations.

2. FEES AND PRICING STRUCTURE

Vendor charges on a time and materials basis: \$0.0012 per API call for the first 10 million calls per month, and \$0.0009 per call thereafter. A monthly minimum of \$2,000 applies. Usage reports are provided weekly via the client portal.

3. PAYMENT TERMS

Payment is due within 30 days of invoice. Invoices are generated on the 1st of each month for the prior month's usage. Client may request one billing adjustment per quarter.

4. TERM AND RENEWAL

This Agreement begins March 1, 2025 and expires February 28, 2027. Either party must provide written notice of non-renewal at least 60 days prior to the expiration date. If no notice is provided, this Agreement will auto-renew for one additional 12-month term.

5. SERVICE LEVEL AGREEMENT

Vendor guarantees API uptime of 99.95% per calendar month, measured on a 24/7 basis excluding scheduled maintenance. Scheduled maintenance shall not exceed 2 hours per month and will be communicated 72 hours in advance.

SLA PENALTIES: If uptime falls below 99.95%, Client receives service credits as follows: below 99.9%: 10% monthly fee credit; below 99.5%: 25% monthly fee credit; below 99.0%: 50% monthly fee credit. Credits are applied to the following invoice automatically.

6. TERMINATION

Either party may terminate this Agreement for convenience with 30 days written notice. Termination for material breach is effective upon 15 days written notice if the breach remains uncured. Upon termination, Vendor will provide Client with a 30-day data export window.

7. GOVERNING LAW

This Agreement shall be governed by the laws of the State of California. Disputes shall first be submitted to mediation before initiating arbitration or litigation.

8. INTELLECTUAL PROPERTY

All data processed through Vendor's API remains the exclusive property of Client. Vendor retains ownership of all proprietary algorithms, models, and software. Neither party acquires rights to the other's intellectual property.
